

NATURE LOVERS ITINERARY

Kirksville is nestled into beautiful country land and boasts a state park with abundant natural amenities for outdoor enthusiasts of all kinds!

Morning

Tour the **Northeast Missouri Department of Conservation**, a new building with a green design where you can explore nature displays, aquariums, hiking trails and more! Interested in hunting or fishing during your stay? Get more information from the conservation agents while you're here.

Afternoon

Head east on Highway 6 and join the Price Family at **Lost Branch Blueberry Farm** to pick a basket of home-grown blueberries! Back in town, grab lunch at **Wooden Nickel** or **Steve's Garden Deli**.

Evening

Head out to **Thousand Hills State Park** to round out your visit with swimming, hiking, fishing, or boating! Eat dinner at the **Thousand Hills Dining Lodge** and if your stay keeps you overnight— settle into a cabin and camp!
